Sounds great! Yes, we have the budget for this. Thank you. I will have to include this change in a budget revision I need to submit soon.

Hi Quarry,

In looking at last years prizes for the PSA contest HS and LGBTQ had \$400 and \$300 prizes and MS had \$200 and \$100 prizes, for a total expenditure of \$1700 in prizes along with the movie tickets for each entry \$15 x 12 = \$180.

This year the teens have suggested that rather than having a first and second place there be two entries per category (video and poster) and they each get the same amount - HS \$300 (2), LGBTQ \$300 (2), and MS \$200 (2); this would equal \$1600. They also want to keep the movie tickets, as an incentive for students to participate, so that may be a bit more than last year.

Are you ok with this and is there enough in the budget?

Let us know - thanks!

Martha
